

PRODUCT DISCONTUATION NOTIFICATION

Manufacturer: ACAM Messelectronic gmbh

Date: August 1, 2014

Products: ATMD-GPX Evaluation System
ATMD-PCI PCI Interface Card for the ATMD-GPX Evaluation System
AM-GPX Replacement GPX Card for the ATMD-GPX Evaluation System

Effected Product Families: TDC-GPX

Reason: With the upcoming release of the TDC-GPX2 and the associated evaluation kit, it is anticipated that there will be reduced interest in developing new products with the TDC-GPX. Therefore, it was decided to discontinue the ATMD-GPX Evaluation System. The TDC-GPX remains in full production.

Recommended Replacement Products: None

Effective Date of Discontinuance: August 1, 2014

Last Time Buy Date: None

Delivery Schedules: N/A
